

**24 February 2016**

**PENNON GROUP PLC**

**CAPITAL MARKETS EVENT**

**Capital Markets Event – Building on a Strong Platform**

Pennon Group plc announces it will be hosting a morning of presentations for analysts and investors today in London. The focus of the event will be an overview of Pennon Group's strategy and recent management changes, alongside a series of short presentations focusing on key business themes in the areas of:

- Asset Management
- Energy
- Energy Recovery Facilities (ERFs)
- Technology & Innovation
- Pennon Water Services (Non-Household Retail)

There will be a live videocast from the company's website at [www.pennon-group.co.uk/investor-information](http://www.pennon-group.co.uk/investor-information) commencing at 9.15am GMT. Copies of the presentation and replay of the videocast will be available from the website by 1.00pm GMT on 24 February 2016.
